

Bansal Public School
A Senior Secondary School

School Anthem

*We are brothers and sisters,
Walking hand in hand
Our teachers shape our future,
Our school is our divine land.*

*We'll be honest and able
Help the world unite,
And when we take this pledge
We're going to raise our school's name high.
Ch- B.P.S*

*We know their will be struggle,
We'll never fail or fall,
Dear teachers hold and guide us
And lead us through all storms.*

*Your wisdom will enlighten
And glide us through the years
We'll pave this path of knowledge
And leave no stone unturned.
